The International Search Report cited International Publication WO 96/39201, and EP 0 867 422 A2, copies of which are enclosed.

The International Search Report also cited DD 268 114 A3, a copy of which is enclosed. An English translation of this reference has been procured, and is enclosed.

Pursuant to 37 C.F.R. §§1.97(g) and (h), Applicants do not represent that a search

has been made and do not admit that these references are, or are considered to be, material to the

patentability of the present application.

Order No. 064361.0126.

As this Information Disclosure Statement transmitted herewith is being filed prior to the issuance of a first Office Action on the merits in this case, Applicants believe that no fee is due.
